## OUR ANNUAL GREAT SEPTEMBER SALE OF FINE FURS

Begins Tomorrow

**Make Your Own 20% Reduction. Every Piece Bears Its Regular Fall Selling Price**

This year more than ever our September Sale will prove its great value-giving significance. In preparation we purchased early the choicest skins the fur market afforded and manufactured them into coats and sets when the labor costs were at their lowest.

The results in plain facts are:—Furs are worth in the market today fully 50% more than a year ago, though our regular marked prices are no higher than those of last season, it is these already assured low prices from which you deduct 20% in this Annual Sale.

**A Small Deposit Will Reserve Your Purchase in Our Storage Vaults Until Desired**
